The Newberry Library–John Rylands Research Institute and Library

Exchange Fellowship

The Newberry Library is now accepting fellowship applications for the 2024-25 academic year!

Newberry Library Fellowships provide support to researchers who wish to use our collection. We promise you intriguing and often rare materials; a lively, interdisciplinary community of researchers; individual consultations on your research with staff curators, librarians, and other scholars; and an array of both scholarly and public programs.

The Newberry-John Rylands Research Institute Exchange Fellowship supports one former fellow from the Newberry to apply for a one-month fellowship at the John Rylands Research Institute and Library at the University of Manchester (JRRI), and vice versa. The stipend is $3,000 USD (or equivalent in GBP)/month.

Former Newberry fellows (long- or short-term) may apply for a month in residence at the John Rylands Research Institute and Library. Former John Rylands Research Institute and Library fellows, University of Manchester staff and graduate students may apply for one month of fellowship at the Newberry.
